

Coronavirus / Covid-19 Agreement

I acknowledge the contagious nature of Coronavirus and that government guidance makes recommendations such as practising social distancing and a range of other protective measures.

I recognise that TJ's Club (Hampshire) Ltd has put in place a series of protective measures to reduce the risk of Coronavirus transmission within the setting, but I accept that TJ's Club (Hampshire) Ltd cannot guarantee that my child will not be exposed to Coronavirus whilst attending the club.

I will follow the procedures set out by TJ's Club (Hampshire) Ltd when dropping off and collecting my child from the setting as set out below;

- only one adult will accompany my child to the setting
- TJ's staff will continue to sign my child in/out of the register
- no adult will enter the main building.

I understand the importance of vigilance regarding Coronavirus symptoms as a keystone of preventing the transmission of the virus to other children, staff and parents. Accordingly, I confirm that:

- ✓ My child is not experiencing any Coronavirus symptoms such as cough, shortness of breath or difficulty breathing, fever, muscle pain, headache, sore throat, or new loss of taste or smell.
- ✓ My child has not tested positive for Coronavirus, or been advised by NHS Test & Trace to self-isolate.
- ✓ My child has not been in contact with anyone in our household who has Coronavirus symptoms, or who has been advised by NHS Test & Trace to self-isolate.
- ✓ My child has not travelled abroad to any country other than those identified as 'safe' by the government within the last 14 days.
- ✓ My child is capable of following the club rules relating to protective measures, such as washing their hands regularly, coughing and sneezing into a tissue and disposing of it safely, and not touching other children.
- ✓ I understand that if they are unwilling to follow the rules they may not be allowed to attend future sessions.

If any of the above circumstances change, I will not bring my child into club and will notify the club staff immediately.

I understand that TJ's Club have the right to alter their working practice in line with changes to government guidance, or changes to the rules set out by the school on whose site they are based, such as (but not limited to) reducing the number of attendees and implementing bubble systems.
